Docket # CR-05-654

RECEIVED
IN CHAMBERS OF
HON. JOANNA SEYBERT

1/20/11

I am asking the courts to have mercy regarding my incarceration. I have had numerous medical procedures (starting w/ EECF) since my conviction. My medical condition has not been able to be controlled. I'm still under constant medical care by my cardiologist Dr. Hershman and surgeon Dr. Moses.

Since my original incarceration in 2005 I have had have been a model citizen with my parole officer Ms Annie Gonzales.

I am requesting an extension of surrender date until such time as my medical condition is under control.

If the courts approve I would gladly do house arrest as I have a stable car salesman job for the past 5 1/2 years. This suggestion can only help remove the stress that is not good for condition.

My doctor has offered to speak to your Honor personally to discuss my medical condition. I would be glad to submit to a medical exam. from a court order doctor.

Thank you
